Investment objective

To provide medium term capital appreciation with a diversified and actively managed portfolio of various classes of assets. The sub-fund may invest in bonds, equities, money market instruments through direct investments, financial derivative instruments, as well as undertakings for collective investments. The fund may invest up to 20% in bank deposits at sight, including cash held in current accounts with a bank accessible at any time. It seeks to generate a return at a low level of risk by actively managing a portfolio of transferable securities.
