Investment objective

The fund aims to increase the value of your investment over the long term, while seeking to maximise positive impact on society and the environment. The fund mainly invests in equities of companies in developed countries and whose products or services contribute to at least one of the transition themes defined by Triodos. Specifically, the fund invests at least 67% of total net assets in equity and equity-related securities of small and mid-cap companies. The fund may invest up to 33% of total net assets in equity and equity-related securities of large cap companies.
