Investment objective

The Fund invests primarily in euro denominated corporate bonds, sovereign bonds and bonds issued by international financial institutions and semipublic institutions that offer a combination of good financial results and an excellent social and environmental performance. Corporate bonds and bonds issued by international financial institutions and semi-public institutions must be rated investment grade (BBB- or equivalent) by at least one of the following rating agencies: Standard & Poor's, Moody's or Fitch. On average, 40% of the portfolio is invested in government bonds and 60% in bonds issued by corporate, international financial institutions and semi-public institutions.
